1. More teams should do intrasquad meets in Sept-Oct. Great opportunity for splashes and meet personnel development
2. Number of Mini Meets went up drastically. 10 in Feb. Would like to see 5 per month, and six on Jan and Feb to spread it out more.
3. The max number of A/BB/C meets in a month free from Holidays is 12. Limit 12 on Oct, Jan, Feb.
4. I categorized Closed A/BB/C meets as Closed Invites
5. The number of Closed Invites has risen. Some to leagues, some to specific needs such as 1650 or 200 of Stroke. Some regional focus.
6. Some meets in April-July not up on website yet...can't do comprehensive review of that phase currently.
7. Would like to see better use of April for competitive purposes. Closed invites and Dual/Tri format seems favorable in this month.
