

**IMPORTANT INFORMATION ON THE GCIT OCTOBERFEST SWIM MEET  
ON SATURDAY, OCTOBER 22<sup>ND</sup>, 2005**

Please be aware that while the GCIT Octoberfest Swim Meet is being held the Gloucester County Women's Health Summit will also be held at the school. Therefore it is necessary for us to make the following changes to what normally happens at swim meets hosted at GCIT:

**PARKING:**

On Saturday, all those attending the swim meet must park at the far rear of the school (behind the deep end of the pool). Auxiliary parking will be available at the Alternative School and Bankbridge School adjacent to GCIT as well as at Gloucester County College next door to GCIT. Most of the parking available on the GCIT grounds will be reserved for those attending the Health Summit.

**ENTERING THE BUILDING:**

Normally you would enter through the front of the building by the flag poles. For this meet (Saturday and Sunday) you must enter through the rear of the building. Admissions will be set up in the stairwell there and you will walk right up the stairs to the seating balcony. Swimmers will be allowed to enter the deck through this area as well.

**ACCESS FOR SWIM MEET PATRONS IN THE SCHOOL:**

We are limited to the pool, the seating balcony, and the main hallway underneath the seating balcony from the stairwell that will serve as the meet entrance up to the entrance to the women's locker room at the end of the hallway. No one will be permitted in any other part of the building. Safety/Security monitors from GCIT will be in place to make sure no one enters an "off limits" part of the building.

**CONCESSIONS:**

Concessions will be available on a limited basis in the main hallway underneath the seating balcony. Metro Swim Shop will also be set up in this hallway.
